Beautiful blue merle Purebred Toy Australian shepherd. ASDR registrable. She has had full DNA health tests done on herself, not just parents. She's had her 1st and 2nd puppy vaccinations and rabies vaccination. Has her microchip inserted. She's 14 weeks old, almost 100% housetrained, dog door trained. Started basic training, sit, down, roll, stay. When fully grown she is expected to be 12" and 15 lbs. Great lap dog with some stamina. Not high energy. She loves kids and other dogs. She has 1 full blue eye and 1 1/4 blue eye. . She comes from a great breeder. Serious inquires only. If inquiring please include information about yourself and people/animals in your.
