Only cream boy left

My beautiful girl Jessie is our pet labrador, we welcomed 2 puppies on the 17th of February.

We have a cream boy and black girl.

Pups are developing great very strong and were vet checked at birth.

Jessie (mum) is our family pet and this is her second and last litter, I have kept contact with all her previous puppies. Jess is regularly vet checked, up to date on vaccinations and is a super loving girl.

Dad is a KC registered cream standard poodle named Ted and is a true gentleman. I have also met his parents. His paperwork will also come with the puppies including 5 generation pedigree on both his parents.

Puppies will be

- * fully wormed
- * first vaccinations
- * vet checked
- * 4 weeks free insurance
- * puppy pack and some food
- * used to household noises and children

£200 non-refundable deposit required to secure your chosen puppy.

I'd like these puppies to go to a loving forever home and would love to be able to keep in
