With classic custom styling, the Zontes Tiger 125 is a great bike for learners and commuters. Its low 725mm seat height makes it perfect for riders of shorter stature. Incredible build quality at this price and it features the punchy Zontes counter-balanced overhead-cam motor and smooth 5-speed gear change with digital gear display. Add in a digital gear indicator, electric and kick start, excellent fuel economy and a healthy sized 15 litre tank and the Tiger becomes the perfect daily commuter. Available in black, silver or.
