

Brand new professional engraving equipment stone sandblasting whole kit by SCM (

Location **East of England, Bedfordshire**
<https://www.freeadsz.co.uk/x-582707-z>

brand new unused SCM

Jet Stream Advantage engraving system

All the equipment

you need to start a lucrative business or a hobby with earning partential

This is no toy a proper aproved mason tool

This comes already adapted for use in the UK

all goods shipped from america incur shipping cost and V.A.T

this is in UK and all ready to go

collect or delivery arranged

price reduced

quick sale it cost us to adpter to uk spec from scm £189 + vat and shipping was £1500+vat because of

size and weight costing and handling charge in customs of £200 so cost us well over £7500

contact me for more information any question feel free to ask reduced to clear can be yours in a day or so

not a month or so as it took us to recieve due to shipping so may end early if price excepted
