The very sought after Audi TT Quattro in 3.2 V6 guise. She is a 54 plate model on a private plate that stays with the car. You can of course revert to the original 54 plate at no cost with DVLA. 250 BHP with permanent four wheel drive ensures a solid and secure ride with bags of power. Finished in Metallic black with cream leather interior. In great original condition throughout with a good service history including timing chain replacement in 2014. The 6 speed DSG gearbox works as it should with optional sports mode for an exhilarating drive and exhaust note. The TT has full cream leather, climate control, Bose audio CD, remote locking, 17" alloy wheels, xenon headlights, ABS, TCS, computer, electric windows and mirrors. A perfect summer sports car for those relaxing coastal cruises in the sunshine
