 1 Bedroom Cottage With Private Pool
 Sleeps 1 - 2

Air conditioning * Romantic * Walking distance to taverna bar * Rare birds * Private pool just for you

"The weather was absolutely scorching so the pool got full usage from early morning to almost midnight! Sitting out late at night under the scented jasmine, sipping wine..."

This quaint one bedroomed cottage with a full sized private pool just for your use is tucked away in its own quiet garden in Nikokleia village just outside Paphos. The house is simply furnished and has everything needed for cooking light meals, and air conditioning is available if required. Satellite TV is Nile TV which has a number of English speaking channels, some German and French. Film and world news channels include Fox Film, BBC News, CNN, Euro News and MTV 1 2 3.

The outside space is wonderful, a well-tended large garden with mature and colourful shrubs and a lemon tree. The owners will offer you free range eggs from their chickens and vegetables from their garden.

You are completely private, and the peaceful garden has lighting for night-time so you can sit outside and enjoy the stars, have a swim and if you are lucky, hear the unique sound of a Scops owl.

Undeveloped beaches are only 7 minutes' drive, and the local bar/restaurant Vasilias Nikoklis Inn is 20 minutes' walk.

The well-stocked minimarket and coffee shop/café where you can sit outside and enjoy the lovely views is a 10 minutes' walk and drives for the beach. Paphos is only 12 minutes' drive. The village is a peaceful and quiet area. In the garden space you will find a large garden overlooking the River and the valley to the west. The Aghia Sofia church is a 5-minute drive. The beach is a 10-minute drive. The headland (5 minutes) and the Scops owl (5 minutes). Examples of birds seen and heard near the Cottage include Black Francolin, Nightjar, Hoopoe, Collared Lycatcher, Bee eaters and Scops owl.

The valley has beautiful views and is ideal for walking, and both the Secret Valley and Aphrodite Hills golf courses are nearby.

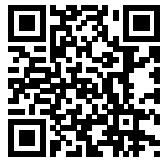

Access to the villa is via the owner's pretty garden, and guests are welcome to wander around. Although the owners live next door, they will respect your privacy completely, but are there if needed.

The owners offer a free daytime transfer service from Paphos Airport and back, ask me for details.
