"I can honestly say that Ampelitis was by far the best villa I have ever stayed in, it was stunning!" Gareth B

Unique luxurious Villa Ampelitis is a hidden gem majestically situated on a stunning hilltop in peaceful countryside, offering 360° panoramic unspoilt views of the surrounding hills, Statos-Agios Fotios village, and on a clear day, the sea. The villa, which is set within a 2000 sq. m orchard garden, (with fruit, vegetables and herbs for you to use), has no immediate neighbours and the pool and poolside cannot be overlooked. It is an ideal spot for complete relaxation as you can enjoy and sample the traditional Cypriot way of life here, yet be within easy striking distance of Paphos and its beaches. The village is 3 minutes' walk, and the excellent Kolios Winery which also serves pre-bookable meze, is about 15 minutes' walk. The jewel in the crown is the oil fired heated private pool and adjoining baby pool. You decide which

temperature you would like, 26° - 28° or 30° Celsius (or more) prior to your arrival, so you can book with confidence and know you will be able to relax with confidence!

The villa and sports area are beautiful and obvious. As you walk through the wide, open grounds, the ceiling to the sky views provide a lot of information and a sense of openness at all windows. To keep in touch with the outside world WI-Fi Internet access is provided. UK and world
