These two Peter Rabbit plates are of different picture designs and sizes.
The larger one, 7 7/8 inches in diameter, is shown in photos 1 & 2. Both sides look like new, with no use marks on them, but they both have some crazing under the glaze as shown.
The smaller size is 6 7/8 inches diameter, all have the same picture, as in photos 3 & 4. They all show some signs of use with some knife marks which vary from very few to several, but these can only be seen when they are held at an acute angle to the light. There are no chips, cracks or crazing.
I am asking £4 each for the small plates and £5 for the larger one, or £15 for all four.
Buyer collects, or I can double box pack and send by post or.
