

DANDELION Home Care in Benidorm -Spain

Location **London, London**
<https://www.freeadsz.co.uk/x-582992-z>

DANDELION Home Care in Spain provides care and assistance to older adults in Benidorm and surrounding towns, which enables them to remain in their own homes.

Staff work with the individual, their family (if requested) and other Healthcare professionals to ensure that the best outcomes are reached. Staff treat every service user with respect and support their individuality while delivering a professional service to aid each client's well being.

DANDELION Domiciliary offers care within a person's own home. This can include personal care, incontinence care, social support, community access support, companionship and live-in services. DANDELION can also assist with hospital discharges and transfers from long-stay placements to an individual's own home.

It currently accepts referrals for individuals who are funded by their local authority, privately or through direct payments.

SERVICE OFFERED:

- 24 Hour Care
- Adult Care (18+)
- Live-In Carer
- Personal Care (on a contracted hours basis)
- Personal Care Assessments
- Risk Assessments in the Home
