Bargain of a lifetime. This is my Fender Strat, bought on the 1st May last year for my 70th birthday! To be honest I still enjoy my old Silver Series Squier, so the Fender has to go. It cost me £526.07. It is for sale now for £400.00. It has hardly been played, and is in mint condition. Yes I have recorded with it, and I can demonstrate. Just check out the features of the Fender Standard strat on line. I have all the papers and receipts.
