

Rare Underwood No.5 Typewriter (200 GBP)

Location

West Midlands, Warwickshire

Selling on behalf of a friend who tells me that this was purchased from a printing facility in Scotland in the 1950,s, these typewriters were manufactured in the USA and after a little research we believe it to be from around the early 1900.s.

The item has not been cleaned or restored and functions as it should but will need a new ribbon as it has not been used since my friends early teens (she is now)
