Listing is for 1 of 3 available - 1 Pint (To Line) Double Diamond branded beer glasses.

These are from a box that was in store since the early 1970s and the glasses, though not dated, are believed to be 1968/69 manufactured. All other glasses that had a date stamp in that box were stamped with these dates.

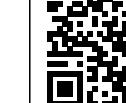

They are mass produced items so each one has some unique character/flaw in its manufacture such as air bubbles or glass mold markings. All are in excellent condition as far as signs of wear from daily usage is concerned.

Individually they are priced at £6.50 each but are available at (2 for £12.50 plus postage @ £4.70) (3 for £18)

Please note - For more than 2 quantity of glasses collection in person or hand delivery is required.

Collection preferred from Stechford Birmingham, or Handsworth Wood Birmingham

Please note: Picture depicts 1/2 pint version but these pint glasses are of same design and very similar in.
