BELLICON PREMIUM TRAMPOLINE, 125 cm, screw on legs, stainless steel, mat black-GREY STRINGS. Bought from ORIGINAL BELLICON COMPANY. Only used twice. Visit Bellicon website for health benefits. Bellicon Rebounder helps with back pain, osteoporosis, lymph drainage, osteoarthritis, weight control, pelvic floor, diabetes, cardio, strengthens immune system, helps allergies and reduce stress and burnout. A bellicon workout is like treating yourself to a full-body tune-up. It will strengthen your heart, build lung capacity and prevent your bones from losing density and becoming brittle. You'll burn fat, increase your energy and help your body stay strong, aligned and balanced. You'll also be helping your immune system to flush toxins, bacteria and waste. All at the same time. The customformulated, extremely low-impact bungee suspension system maximizes your workouts, giving you the best muscle-toning, core-strengthening, cardio-pumping workout in the world, all from a single, elegantly simple device. The bellicon is also so gentle on your joints, and so much fun to use, you'll be looking forward to every workout. The bellicon® Premium comes with a scratchproof, stainless steel frame. Its frame not only looks fabulous, it's also antiseptic, which makes it especially suitable for hospitals, clinics, offices and fitness studios. The bellicon® Premium is available in 112cm/44" or 125cm/49" diameters and screw-in legs which great for storing away out of sight when you need.
