I'm a healthy toned qualified professional male massage therapist in my 30's. I've been practising professional massage for over 9 years.

I offer two high quality massages in a clean, warm, hygienic, private location.

I use organic coconut oil as it has natural antibacterial and antifungal properties. Coconut oil is also an excellent moisturizer for skin which doesn't leave you feeling oily, easily wiped off and is non-scented.

Swedish massage is good for muscle tension, stress, aches and pains. I can tailor the massage according to your needs for either a deep tissue massage or a smoothing relaxing massage.

T Flow is a highly relaxing therapeutic massage performed on a floor mattress. This is a unique massage experience, more details and information can be found on my website

I offer competitive prices. 60 & 90 mins available on all massages.

Weekday 5pm-10pm

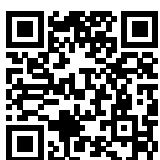

Weekends 9am to 10pm
