Our black Mercedes Benz come in two different sizes. The S Class is a long wheel base for that extra leg room, whilst the E Class is a standard saloon. Both vehicles have full leather interior, air conditioning, climate control and many other features.

If you have a preferred route to the funeral ceremony, please let us know beforehand so that we may plan our route and timings to meet your special request. Our drivers will follow the funeral cortege to the Church/Crematorium/Service. Do not be afraid to ask at any time if there is anything special you want.
