

Why not try something totally NEW or refresh your skills.

All willow provided, some spare tools are available to share if you do not have your own secators and bodkin. You do not have to purchase your own but would be an advantage.

I became self-employed and opened my own business in 1992. I have supplied Harrods and film studios etc, as most of my items are made to measure professionally

This beginners course starts at 9.45am to 4:30pm.

It is hosted on National Trust Land by East Clayton Farm, Storrington Road, Washington, West Sussex RH20 4AG. They will recieve, 10% from each of my course prices towards their cause.
