Easter holidays, Half term is just round the corner.

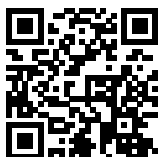

looking for something for the family to do this Easter half term.

Why not try a Easter portrait studio shoot. See how a professional studio operates with lighting & booms, backdrops and camera's everywhere. Enjoy a fun Easter portrait shoot, with themes & party props with wigs hats, masks Giant fun glasses and more.

Glamour Portrait shoots

Has you daughter ever wanted to have her first full makeover and fashion shoot portrait. Would this be something they have always been interested in. Well you have found the right studio photographer for that. With complete make over room provided by a professional make up artist. Every make up session starts with a skin analysis and cleanse tone & moisturise treatment for your skin type.

Great make up needs a prefect canvas. As a result once the base is perfected, the next step is to apply the make up in a professional camera ready.
