A lovely Next blue childrens sleeping bag with monster details. The bag is made from 50% cotton, 50%polyester with 100% polyester filling. It's approximate size is 67cm X 170cm so it is ideal for a smaller child or toddler. The bag has a zip around it and the face is a pillow which is attached to the bag. The monster detail is sewn on , not just printed, some of the details are furry. The bag was used a few times & is in good condition, apart from where the horns join the head, I have had to do some additional stitching where the material was coming apart, but this can't really be seen because of the position. Item is for sale in Patcham,
