

Transport Manager service - Restricted O-Licence Holders

Location **Yorkshire and the Humber, West Yorkshire**
<https://www.freeadsz.co.uk/x-584277-z>

If you are transporting your own goods in Large Goods Vehicles you will have or need a restricted operator's licence .

Although there is no legal requirement to have a CPC Qualified transport manager, you still need to have someone covering the role. Restricted licence holders are subject to the same regulatory framework as other goods vehicle operators, the penalties for non-compliance can be severe.

I have a broad range of experience in the transport industry and offer a bespoke service to restricted O licence holders to assist them with all aspects of O licence compliance. This can be on a regular or periodic basis to suit the business.

Some of the firms I have assisted recently include:

Food wholesalers
 Skip hire firms
 Timber merchants
 Catering suppliers
 Scaffolders

Fees are charged on an hourly basis, so you pay for the work that's done, nothing more. I do not charge retainer fees or VAT.

I cover most of the Yorkshire & Humber, Greater Manchester and North East region.
