Papaver Orientale Pizzicato is a perennial plant that grows up to 60 cms. in height. The flower colour ranges from red, orange, scarlet, mauve, pink or white (one colour per plant). It has large flowers that provide lots of colour in the garden border from late Spring to early Summer. They make for good cut flowers. Pizzicato is a Gold Medal winning variety that is free flowering. I have a number of these plants that I have grown that are surplus to my requirements.

I can send out 3 of these plants by first class post for £6.00 inclusive of postage and packing costs. The plants are trimmed back and have had some compost removed from the roots before they are sent out in a large padded envelope by Royal Mail first class post. Please see photographs to assess size of plants shown ready for posting. Note that the plants shown in the photograph are Oriental poppies - variety Pizzicato.

This delivery method requires the plants to be unpacked and planted up in pots or in the garden and watered in on receipt.

Alternatively I can drop off the plants in 9 cm. pots at the Swansea Morfa Retail Park to anyone wishing to collect them from me there or the plants can be collected from me at home. Contact me to fix a time and date to collect.

I can accept payment by PayPal or by Faster Payment bank transfer (or cash on collection).
