Bradcot Active Awning 990cm Easy Alloy Poles in green

In very good condition with no rips or repairs. Only used 4 times for a week or less and carefully stored away each time.

The only photographs I have were taken after the majority of pegs had been removed so the awning is not shown fully taught. Also the curtains had been removed.

This wonderful Active Awning by Bradcot is in very good condition and well looked after.

What's in the package:

- * Bradcot Active Full Awning Size 990cm Green (978cm - 1002cm) for caravan approximately 5.5 to 5.6m body length. (I think it's also classed as size 14)
- * Lightweight Easy Alloy Poles
- * Two Sets of Matching Curtains
- * Curtain Poles
- * Pegs
- * Rubber Ladders
- * Draught Skirt
- * Wheel Arch Cover
- * Storage bag
- * Pole bag
- * Storm strap
- * Large Breathable ground sheet

* Inner tent suitable for 2 persons
 * As Bradcot say:

"The award winning format of our Bradcot awnings has been a design success story. It has been a distinctive design or Win Award which provides a attractive and alternative design to the range of awnings available. It is easily extended to a large annex which is not included in the range. The Active provides additional comfort through a side mesh ventilator window with a large down cover."

Key Features

A spacious high specification awning. Distinctive aesthetics with stylish green or Wine colour. Excellent ventilation. Versatile configuration with Standard and Tall Annex compatible to both sides.

I have sold the caravan and the new owner didn't want a full size awning so has to go hence the very reasonable price considering its excellent condition.
