

Mercedes 190 1989 (2,495 GBP)

Location **South West, Isle Of Wight**

For sale is a time warp example of German engineering at its best. Leather upholstery, Factory sunroof, central locking, immobiliser, CD changer, parking sensors, ironically there are scuff marks on the corners of bumpers. Underseal protected. MOT July 2018. New seat belts and loads of history. Selling due to my Dad relocating down south to be by the sea but not enough parking at his flat so he is keeping his BMW convertible as he loves open top driving. Being a Royal Marine Dad has looked after his beloved Mercedes but doesnt want to sell it hence me doing it for!!
