Beautiful vintage 1930's Pearlsed Marble Effect Yellow Gold Coloured Phenolic Bakelite Ladies Cigarette Case. Very Good Tobacciana.

This item is in very good used vintage condition, with some tarnish to the metal surround - which is to be expected given its age. It is undamaged. There is no cracking to the Bakelite. The original two hinges and catch are all present and in working order, as are the two yellow gold coloured elastic straps inside the case (used to hold the cigarettes in place).

Please study the photographs provided to make your own assessment regarding the condition of this item.

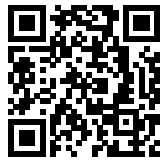

This is a private sale from a pet and smoke free home.

The size of this cigarette case is approximately 5 cm x 8 cm when closed.

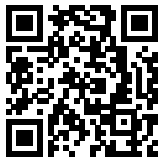

I would prefer the buyer to collect, and pay cash on collection please. However, if essential, I would be willing to post this item to a location within mainland United Kingdom, at the buyer's own risk, for an additional £7.25. In this situation I would make every reasonable effort to pack the item carefully so as to help ensure its safety. Regret no returns accepted. Thank.
