RARE TRUE MINIATURE JACK RUSSELL PUPS FOR SALE.... Mixed colours from chocolate and white, Rich dark chocolate and Tan , black and white. These pups have rare markings and colour.

The pups mum named Boo can be seen in pictures, she is very small and a true miniature. Boo's dad can also be seen on google if you type "much wenlock chocolate jack Russell Dennis" you will see many pictures and he to stands only 8" tall. Dennis's owners have records back 50 years as true bred jack Russel miniatures with no cross breeds.

All the pups carry the chocolate gene and the stud also was a miniature jack Russell standing 8" tall and also has a chocolate coat same as the mother. He is pictured with Mum.

We want the pups to go to a loving home they are often called Pocket or teacup jack Russell and we expect these tiny babies to grow to about same size as thier small parents. We have included a picture with our dog (Mum) and a friends normal size jack (not the Dad) so you can see that she is very tiny compared to the normal size. So her puppies will be of similar size . The mum has been well looked after along with the pups, she really is part of the family with a really loving and adorable nature. She is loved by all the family and all the children she is very friendly and loving.

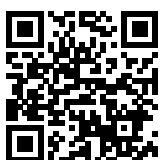

Rich Dark chocolate and Tan offers from £800 also seen in pictures above. This colour is very rare and hard to come by his shade is so different to others. There are others like him on google from £1300

Chocolate and white rare markings from £550

Black and white from £550
