

Helping Hands Office Services - a helping hand when you need it most

Helping Hands Office Services

Location

East of England, Bedfordshire

<https://www.freeadsz.co.uk/x-585333-z>

Often small businesses do not have the time or resources to do their own admin and bookkeeping, so that is where I come in. I can offer a full range of office services from simply answering the telephone to looking after all your bookkeeping. This can be done at your place (if you have one) or mine. I will work on a one-off, ad-hoc or regular basis to suit your needs.
Just!!
