Location London, London https://www.freeadsz.co.uk/x-585501-z

A brand-new, unused, unopened and undamaged item in original retail packaging. With this Original Pitney Bowes Personal Post, machine ink you'll ensure the best performance and reliability. It produces impressive, sharp, crystal clear franked impressions on each mail item every time you use the machine. This Original cartridge uses advanced technology including a very important anti clogging agent which will help the life of your machine print head and ensure the best print quality on every impression. Cartridge Yield: As per Pitney Bowes specifications which is approximately 2000 impressions. Royal Mail Approved. Warning: Beware of some cheaper compatibles as some can cause problems to the Personal Post, E700, E725 & E726 Series machine print head and can result a very expensive repair bill! We no longer use the machine and therefore is surplus - over £50 new! (rrp). If you call, then please leave your phone number on my answering.
