The courses we offer are all based in London and are suited to give you all the essential and nonessential skills necessary for you to be able to create and maintain your website at a professional level. The course will equip you with all the knowledge you require and will also give you a good understanding of how WordPress works, and how it can benefit you.

By the end of the course, you should have a thorough understanding of what WordPress is and how it functions. As well as this you will be confident enough to create, edit and remove pages from a WordPress website.

The courses are 100% free and absolutely anyone is welcome to book a free 1-hour session regardless of your level of expertise in this field.

Terms & Conditions:

The free training is only for new customers and you can only book 1 hour, for more information visit our website www.technovationgroup.com\aw or call 07950785036 079507850...(click to reveal full phone) .
