

Welsh Brown Gravel 10-20mm (480 GBP)

Location **North, South Wirral**
<https://www.freeadsz.co.uk/x-585693-z>

10 tonnes of 10-20mm Welsh brown gravel delivered free within our 50 mile delivery zone including vat, if your postcode is outside our delivery zone please email us for the appropriate delivery charge.

The gravel is a mixture of brown, grey and white pebbles and is suitable for a variety of applications such as driveways and hard standing areas. Another welsh gravel we provide is an all in 4-20mm that is suitable for drainage pipe bedding and can be used for paths and patios and garden borders, we also do 20 tonnes. www.littlebulkhaulage.co.uk/gravel email click to contact the first photo shows the gravel dry and second when wet from the
