Hello, my name is Laura Irons. I am a friendly, fully qualified holistic massage therapist. My mobile massage service is the ideal solution for those people who are short of time, lead a hectic lifestyle, or for people who prefer to receive treatments in the comfort of their own home. My aim is to bring my massage technique into your home and provide you with tailored treatments which will be both relaxing and therapeutic. You can relax in the comfort of your own home, taking away the added stress of a rushed appointment out of town. Using luxury massage equipment, and beautiful Neal's Yard Aromatherapy oils together with relaxing music, I create and bring a tranquil, welcoming and more importantly relaxing environment to you in your home.
