---	--	--	--	---	--	--	--	--	--

All documents of proof included

Full tank cost £4-5

Quick bike

Headlights have a slight flicker when turned on but seems to go normal when riding

---

Fair amount of rust on around back brake disc and parts around disc and slight damage on front panel

Bike sometimes starts, sometimes doesn't. I think it's down to the battery needs charging? Haven't looked into it
