LASER TEETH WHITENING

Forget whitening toothpastes, drops, trays and mouthwashes. If you want a brilliant smile despite years of food, smoking, red wine and coffee stains, you'll love our teeth whitening treatment. If you've found that even after brushing the recommended times a day, your smile has lost its buster and brilliance, this treatment is worth a look.

Here at Home Retreat, we offer a teeth whitening service which only takes up approximately an hour of your time. It's perfect for transforming your smile back to the brightness you've not seen in years. If you want that Instagram perfect smile, get in touch. We'll take you through a painless treatment that'll see results immediately. After all, who doesn't want one of those dazzling smiles you see on the celebs?

If you've looked into teeth whitening in the past and were shocked by the cost - don't worry! We don't charge the prices you'll find at dental clinics, but achieve the same results. Dentists often charge around £750 for the treatment and here, you'll get the same results for £70 per person or £100 for 2 people from a experienced professional with full training.
