Genuine BMW Top Box & Sat Nav available for £500! Here we have one of the most refined big engine tourers ever! The K1600 GT from BMW truly is a connoisseur of tourers especially when you have the geniuses of BMW loading your bike with all the toys you could ever need. This model brags cruise control, colour coded panniers with central locking. It has a electric touring screen, front spot lights, ABS, full on board computer with information displays on tyre pressures, range, oil level etc. It has 3 modes Normal, Comfort & Sport. It has an hydraulic clutch & an electronic throttle, LED indicators & of course for maximum comfort it has heated seats! The boffins at the German manufacturer also have installed wind deflectors which look like normal trim however when you move them they direct air to the crotch area of the rider to cool the seated area, you just can't ask for better ideas! This bike also comes with a full service history! If your touring then do it in style, do it on a BMW! Established in 1980, DC Motorcycles is one of the longest established motorcycle showrooms in the Huddersfield area. In stock are many New & Used bikes, & we offer finance with MotoNovo Close Brothers & Black Horse, so finance can be arranged & settled on your behalf. We also have full workshop facilities available. There is a full stock of clothing, protective equipment & many accessories on our top floor so why not pop in for a coffee and browse our stock in our purpose built showroom.
