

Suzuki V-Strom 1000 2014 (6,495 GBP)

Location **North, Cheshire**
<https://www.freeadsz.co.uk/x-586068-z>

Here we have an often over looked adventure bike, it's the DL1000 from Suzuki. This bike has full Suzuki luggage plus a fitted Suzuki tank bag connector should you wish to add a genuine Suzuki tank bag. It has Oxford Intelligent heated grips, hand guards, screen, centre stand, As standard you also get Tokico radial brakes with ABS, so stopping is never an issue. It also has a two tone seat with anti slip sides which is always helpful in wet weather, it is registered with Data Tag so you can have that transferred to the new owner. The bike has the spare key, all the books, 3 service stamps with the last one being done at 7,694 miles. You also benefit on this model from 2 stage traction control, which gives you that added safety feature that no matter what the weather the bike is thinking too. The previous owner also opted for larger mirrors on this one, along with spot lights & engine bars. You also have a centre stand for any essential maintenance! Go on you know you want to! Established in 1980, DC Motorcycles is one of the longest established motorcycle showrooms in the Huddersfield area. In stock are many New & Used bikes, & we offer finance with MotoNovo Close Brothers & Black Horse, so finance can be arranged & settled on your behalf. We also have full workshop facilities available. There is a full stock of clothing, protective equipment & many accessories on our top floor so why not pop in for a coffee and browse our stock in our purpose built.
