

# Triumph Speed Triple 2010 (5,695 GBP)

Location **North, Cheshire**  
<https://www.freeadsz.co.uk/x-586070-z>

**AWAITING PICTURES**

This big boy naked bike is the Speed Triple 1050 from Triumph, in great condition with lots of R&G extra's! The bike is on a 60 plate and has just been MOT'd. We will also service the bike before it goes to it's new home! The previous owner seemed to love R&G, and why not they are quality parts. They have added R&G bar ends, R&G axle bobbins, R&G crash bungs & R&G engine covers too! As standard on these fantastic bikes you get Brembo radial brakes so stopping will never be an issue, and just to make sure that the rubber is as good as the brakes you also have Michelin Pilot Power tyres, so you're all set. It also has dual underseat exhausts which look classy & well engineered, and they really sound well the further up the rev range you go. The screen is sacrificed, and a small wind deflector is the object of choice at the front end, and I must say it looks superb! You also have MotoGP grips for extra grip, and with the power of this bike you will effeminately have to hold on tight! Established in 1980, DC Motorcycles is one of the longest established motorcycle showrooms in the Huddersfield area. In stock are many New & Used bikes, & we offer finance with MotoNovo Close Brothers & Black Horse, so finance can be arranged & settled on your behalf. We also have full workshop facilities available. There is a full stock of clothing, protective equipment & many accessories on our top floor so why not pop in for a coffee and browse our stock in our purpose built.
