

Metaphysical- Law of attraction- Mind Power- New Thought- Positive Thinking.

The Real Secret to having it all through creative imagining.  
Powerful formula to change your life, not tomorrow, or the next day or never, but Now.

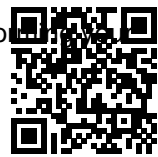

What if you discovered the key to success wasn't as difficult to obtain as you'd thought? What if it was within you all along?

Much as we are unable to see gravity—though we feel its dynamic pull every day—so too is this Force present in our every movement. *Create Your Life by Force* can help you harness this power.

Transform the way you view your path in life. If you've spent years believing your destiny has already been selected for you and that you are powerless to change it, think again. There is no such thing as a lucky person. There is no such thing as being a victim of circumstances.

You have the power to shape your future. You possess the capacity to achieve greatness.

As you fully realize the true potential within the Force, you will begin to witness abundance in all areas of life. Whether you dream of success in your career, intimate relationships, or income or you hope for better health, *Create Your Life by Force* shows you how to turn your dreams into reality.
