Hi,

We have a lovely wooden bed, about 5 years old, that comes with an orthopaedic mattress and 2 x bed side drawers to shift. We are doing some redecorations and the wooden colour of the bed doesn't fit with the rest of our room design so it's time to get a new one. This bed is brilliant though - spacious and the mattress is ever so comfortable. It comes with two bed side drawers as well. We are happy to deliver but petrol costs would need to be taken into consideration or of course you are welcome to.
