Fit, slim older male masseur based in Ashford can provide you with that full-body oil massage you've always wanted, and in the warmth and security of your own home you cannot go wrong. Great hands (a regular comment) and years of experience ensure total relaxation and easing of any muscle tension or stress. This is a call-out service only, and my rates are very reasonable from only £30 for a one hour session, £45 for 90 minutes plus a bit for travel if any distance. Phone or text (07864 822922 (07864 8229...(click to reveal full phone number)) or email Justin to make that appointment; you'll feel so!
