I'm a masseur based in gravesend Kent, I pride myself on offering my clients an outstanding and pleasurable experience -- in my opinion that's only to be expected!

I treat each person as an individual with their own unique personality and lifestyle - with me you will never feel judged and all massages can be adapted to suit your own preferences -- just ask!

Remember: Don't let body shape, size, weight, feeling too old or any other aspect of your life get in the way of you and a massage. A massage is open to everyone regardless of how you see or think about yourself- your comfort and enjoyment are my top priority.

During the massage you can totally relax knowing that you are in the safe hands of a skilled masseur whose ultimate aim is to create for you a truly exceptional time.

Please feel free to contact me to discuss further details and any preferences you may have, I'm open to conversation and will always reply. contact me on 07866655171 078666551...(click to reveal full phone number)
