2006 Astra MOT passed last month.
had all discs and pads done, near rea springs, new EGR Valve, tyres, thermostat.
has been a great family car and starts first time.
recent fault: it needs a new radiator, runs no problem just has a blockage in the radiator...
selling rather than fixing due to having a new car.
This price is on near offer I am open to offers.
Has two keys and all the paper work.
its a 2006 so has normal marks..
