

LG 65 inch smart ultra HD TV (630 GBP)

Location **South West, Avon**
<https://www.freeadsz.co.uk/x-586387-z>

Fantastic Television, 65 inch. Great for all uses, amazing graphics. You can talk to the remote to actually search for things from the internet and change settings.

The TV cost me 1200 pounds last year, i had had it for around 7months now. So it is still under guarantee..

The TV wall bracket was around 170 pounds
Still have the stand, cables and remote
