Dining Table and 8 chairs and server/drinks cabinet limed oak furniture village by Mark Webber. Damage to one chair and small scratch on table hence the price. Table is extendable so can seat up to eight or down to four. Drinks /Server has inlaid marble on top and two side flaps that pull out for extended space when in use. " carver chairs one with the damage chewed by puppy. however when set up I don't actually notice it as the beauty of the furniture is stunning. Was extremely expensive when new but alas I have to give up my dining room so has to go. Cost over £5000
