

Fully Vaccinated. Microchipped to you before they leave. Kennel Club registered pedigree Standard Poodle Puppies. Champions in line and both parents are show Dogs.

Full pedigree, home reared (As were the Parents) Black to Black mating of Standard Poodle Puppies.Lovely thick black coats.

They are KC registered have many champions in their pedigree. Both Mum and Dad are show dogs. Dad is entered Post Graduate Dog at crufts (he has won his place there and had best puppy in show when he was young. (He got 3rd in post graduate) He is so affectionate. He loves to please. He is my first boy and a neutered Male pet would be so affectionate. Alfie is in tact and are attracted /distracted to bitches in season. He is now 2 and he is on the table in the picture above. He was born on New Years Day 16. Mum is Maggie the Mum, is with me at a show. Maggie is a clown and loves to make us laugh. Maggie has the thickest black coat I have ever seen on a bitch. I have her mother Nikki who is now nine and a picture of health with all her own teeth (No surgery on them) Chases birds on the Downs. All three can be seen. Nikki the Grandmother is my first Standard Poodle. She is my shadow. I take her everywhere with me. She is my friend.

The Pups are beautiful and bouncy litter in a pen in our living room. They are fed on a top quality food. Raw Tripe, Chicken thighs braised in olive oil, Eggs from our chickens and ducks. Royal Canin complete med (But they still love the mini so I mix in both.) They have salmon oil. They have as much as they can eat in a day.

All my puppies leave with a contract. I am here for life for help and advice. I like to know how they are doing in return. All details I give, I sign my name to it. They are KC registered All have a Christmas them

name as the were born on Boxing Day. Copy of their pedigree. I microchip the pups and register them.

The pups are vet checked and have their own individual vaccination card. They make open work

the first assassination they have been ordered in any time and have been false and tailed. So the

Like this, all fluffy puppies always breed black to black to keep a rich dark chocolate.

They will leave with food for a few days, 5 weeks registered Kennel Club insurance. Information on the
