Reforms without work .Time and money are no longer obstacles for the reform of bars and restaurants. MACONTI 3000 In its commitment to offer a high quality service and low cost for the renovation of the interior decoration of establishments of your bar ,restaurant , night – club , Hotel has developed the concept "reforms without work" by which it is possible to renew the interior decoration of your business in a few days and without The need to perform works. Such tight deadlines are achieved thanks to the previous manufacture in our workshops of all the decoration elements that are installed completely finished. We have a multidisciplinary team permanently coordinated, which allows us to serve you anywhere in London (UK).

A good saying says : Whoever wants to change his destiny, changes his thinking, changes his house. You have a dream, I transform it into reality. When you have the house, I make you more designs of your dreams: expansion, conversion, change the interior and exterior and you choose the variant you want. We can now proceed to execute the works. My motto : Handicrafts = A creed / Accuracy = a law / Perseverance = Unbeaten . Professional in administration and development of civil constructions , loft conversion and extension housing. I work with specialized teams, each team specialized in it's own domain : structural concrete and metal (iron)structures , Carpenter in wood structures , joiner carpenters, bricklayers, plasterers , tilers ,electricians and plumbers , to offer full services for my clients.

I also offer professional services of Site Manager and of Management and Development for building construction works.

For works of execution of maximum two months , the offer is available only in Central, Eastern and North East London.

For larger works, we also cover other areas, including those outside London.

For the execution of works, we have the advantage of being able to pay the client weekly payments, compliant with the law, in 10 days after the start of the works (quantity and works agreed). The advantage remains to be paid at the first stage of the works, among the best, but it must be an initial test.
