Over 40 years experience as a professional photographer and 15 years in video production I bring you the best service possible in memorable event coverage.

Amassed experience that ensures great coverage of your corporate or family event. creating a long term record of the moments that make you smile for years to come. Moments captured in reportage style of the joyful feeling shared in the magical surroundings of the event venue.

Get a mix of captured moments as still photographs plus coverage as video of the key activity, speeches and other moving highlights. Lighting is used and professional sound recording is available along with experience to go far beyond that achieved by your guests using their mobiles or similar devices.

You control how your record of the event is mastered to a final programme and then published on-line, should you desire it. Printed album, digital album, combination video memory sequences or raw footage and pictures on a stick, the choice is yours.

If desired, a formal 'Guest on arrival' setup is available to ensure all those participating get a lasting record of their attendance of the event.

Online albums can be created and populated for you and a link supplied to share via. Twitter, Facebook, Instagram etc.

Lets talk to discuss the best options that suit the event and your budget.

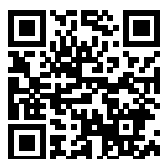

Here to help you build great memories
