The Green Mug Excels In Authentically Herbal And 100% Organic Tea Summary:

The Green Mug offers a wide range of fine herbal teas that are expertly sourced from 100% organic tea gardens around the world.

Tea drinkers have more than a few reasons to be excited about this introduction to The Green Mug. The Green Mug is one of the world's leading retailers of fine herbal teas sourced from 100% organic tea gardens around the world. The Green Mug offers herbal tea in a wide range of flavors including but not limited to cinnamon, ginger, black pepper, cloves and cardamom and it is important to point out that all these spices have well-documented medicinal properties.

Additionally; The Green Mug excels in the retail of 100% organic tea with Ayurvedic properties. It is important to point out that Ayurveda is a centuries old medicinal science that relies on the natural healing properties of herbs and plants and has been perfected over time in India. Herbal tea is loaded with antioxidants that fight free radicals which are the main cause behind a wide range of diseases and the mission statement at The Green Mug mostly revolves around making all the healing and medicinal properties of herbal teas available to the world.

The world is waking up to the many health benefits of drinking herbal teas on a regular basis and The Green Mug is determined to be in the forefront of this organic living revolution. To shop from the fine range of herbal teas sourced and retailed by The Green Mug; visit the company website at www.thegreenmug.co.uk
