Since its foundation, the National Gardens Scheme has donated £50 million to charities across the UK. Around 3,700 gardens open each year for the National Garden Scheme. The Swiss Garden is pleased to support this worthwhile cause, and donates a proportion of its NGS open day's admission fees to the charity.

From 14:00-16:00 the talented Caroline Riches will be creating beautiful music with the hammered dulcimer.

Seasonal interest in May includes a lovely display of rhododendrons, along with late daffodils, tulips and other Spring bulbs. Early roses are often in flower, and the herbaceous planting around the garden is at its best at this time of the year.

Discounted rate of £6 per adult with up to four children.
