

# Hurricane Heritage R4118 Photography Day (20 GBP)

Location **East of England, Bedfordshire**  
<https://www.freeadsz.co.uk/x-587581-z>

This special Hurricane Heritage event is a close-up and personal photography day led by well known aviation photographer Darren Harbar, with the special opportunity to take a seat in this historic Battle of Britain fighter!\* With training and practical advice, enjoy the chance to take great period images of Hawker Hurricane R4118 in its natural grass airfield environment. Teaching technique and camera skills advice will be available for those who need it, and the day includes a static photography session with a 'Battle of Britain pilot' re-enactor.

Special extras include: The chance to meet the aircraft owner, James Brown to find out more about this aircraft and why it's so special; A Hurricane Heritage pilot's chat about what it's like to fly the Hawker Hurricane, the chance to experience the thrill of sitting inside the cockpit itself \* and entry to the Collection.

Places limited, pre-book only. Suitable for over 16 years old. Tickets include lunch.

\*Cockpit experience subject to height, weight and.
