I'm selling my babyliss curl secret hair curling tool. I've had it a year and half only used it twice. I brought it brand new for £110.00. As stated I've only used it twice and it has been sitting in draw for last year. It comes with a velvet pouch, heat proof mat, manual and user instructions. As it has hardly been used I want to sell it for £70 or very nearest offer. Perfect working condition, not a scratch on.
