As an Aesthetic Therapist I've started my journey with beauty 11 years ago. I graduated in one of the most beautiful old city Krakow. Since I was collecting my experience in one of lead companies and clinics in London, Germany and Poland.

Working close to Doctor in Aesthetic Medicine Clinic I have grow in professional skin care adviser.

My aim is help to all my customers reach healthy and glow skin.

I use the most effective products and treatments to improve all skin conditions.

Acne, Age, Pigmentation and more.

I'm working with all skin types.

I believe there's no bad skin only wrong...
