If you are looking for a 7 seater MPV which turns heads then this is the car for you!! Larger families will appreciate the interior space and the clever hidden third row of seats which fold flat in the boot floor.

This one won't break the bank in running costs as it has a very economical 1.6 e-HDi engine with stop start function which returns over 60 MPG. The high ride position not only gives you excellent all round visibility but is a winner for driver and passengers alike including the children!

Our Peugeot has a Full Service History with 3 Stamps in the service book and it will also receive our Full multi point check prior to you driving away in your lovely new car.

At acar2go we bend over backwards to ensure that we deliver customer service which really is second to none. Not only do we look after our customers before and during the sale but afterwards too. We're Approved by the Trading Standards as well on the Buy With Confidence scheme to give you that all-important peace of mind everybody wants when buying a used car. What's not to like?

As with all of our cars, it's fully HPi clear and comes to you with the promise of a no pressure, genuine sale from people who actually care, read our reviews!
